PARENTS REVIEW

- ✔ I would like to thank all the teachers of VNPS for the commendable job they are doing with the 'Online classes'. The way the teachers interact and teach makes the journey of learning interesting and creates enthusiasm in kids to look forward to the classes. We are thankful to VNPS Management for their stupendous effort to mitigate the challenges during the pandemic situation.
- ✔ When fundamentals and discipline is the core..... Hands down... Vidhya Niketan School has done it... Be it regular classes which was normal... Or the online classes which is the new normal Kudos to the teachers.... A Happy dad's review!!!
- ✔ Good location and good buildings.
- ✔ Vidhya Niketan Public School has excellent system for everything. My son is studying from KG, all teachers are sincere and dedicated. They know the strengths and weakness of every child. Apart from education, they give importance for moral values too.... No doubt students from Vidhya Niketan are responsible and good citizens.
